

BREATHING SAFELY!

1 Read, listen and match.

Air can be unhealthy for you.

- 1 When the windows and doors of a room (bedroom, classroom, etc.) are closed for a long time and there is no air flow...
- 2 When the space is very small there's the risk of suffocation!
- 3 When you put a plastic bag on your head with a very small opening...
- 4 When someone is smoking near you...
- 5 When you smell gas leaks don't touch electrical devices. Don't light fires...
- 6 When someone stops the car and leaves the car engine running...

A ... remove it immediately from the nose and mouth. ☐

B Never go into a box, a hole or a very small piece of furniture! ☐

C ... you can have a headache or feel sleepy and tired. ☐

D ... tell them to go away or even better to stop smoking. ☐

E ... tell them to switch it off: it causes pollution! ☐

F ... open the window immediately! ☐
